PROFILE

Let me introduce myself, I'm a designer with a strong passion for design strategy. My Strength are my creativity, bringing ideas to the table and solving issues that a first seem impossible. I like the most in UI UX designer is collecting the information, researching, investigating and evaluating user requirements and then design the whatever user want.

EXPERIENCE

BOYINAWEB / DEC 2019 - FEB 2022

- Collaborated with senior team members to design and develop web interfaces and mobile applications.
- Contributed to project planning and feedback from senior designers and developers.
- Designed and created emailers, templates, and banners for marketing.
- Translated static UI designs into responsive, cross-browser-compatible HTML.
